

## REPORT OF EVALUATION OF EDUCATIONAL CREDENTIALS

<b>FULL NAME</b>	XXXXXX XXX
<b>PURPOSE OF EVALUATION</b>	Immigration, Employment
<b>COUNTRY</b>	People's Republic of China

March 09, 2016

In response to Mr. XXX's request, the following is an evaluation of his academic credentials from the People's Republic of China. We have verified the authenticity of the Doctoral degree submitted via the online verification service administered by the Ministry of Education of the People's Republic of China.

Mr. XXX was enrolled in a five-year integrated master-doctor program at XXXXX University from September 20XX to June 20XX. Founded in 19XX, XXXXX University is a recognized (accredited), public institution of higher education and research in the People's Republic of China. In order to be accepted into the five-year integrated master-doctor program at XXXXX University, applicants must have a Bachelor's degree earned at a recognized (accredited) institution of higher education in the People's Republic of China and passed a very competitive entrance examination. This is the equivalent of a U.S. bachelor's degree earned at a regionally accredited institution of higher education in the United States.

Mr. XXX completed a five-year integrated master-doctor program with a major in Physics at XXXXXX University and was awarded the degree of Doctor of Science on June XX, 20XX. We have reviewed the curriculum of this program to ensure that it is substantially equivalent to that of a doctoral degree in the United States. This is the equivalent of the U.S. degree of Doctor of Philosophy in Physics earned at a regionally accredited institution of higher education in the United States.

In summary, it is the judgment of International Education Consultants with American Education and Translation Services that Mr. XXX has the equivalent of the U.S. degree of Doctor of Philosophy in Physics earned at a regionally accredited institution of higher education in the United States.

Sincerely,

XXXXXX XXX, MA  
International Education Consultant
